Calibration Services

8800 West Chester Pike · Upper Darby, PA 19082

Phone: (610) 446-6600 · Fax: (610) 449-7010

Email: mike@instrumentation.com

The following is a partial list of instruments for which we presently offer NIST traceable and ISO 17025 accredited calibration service through our service partners. If you DO NOT see the asset of which you require calibration service, please specify by typing the manufacturer, model number, and range into the form below this page. We will respond within 24 hours with pricing and approximate service turnaround time.

<u>Manufacturer</u>	<u>Model Number</u>	<u>Your Cost</u>	<u>Approximate Turnaround Time</u>	<u>Quantity of each instrument to be calibrated</u>
3D Instruments	66544-25B71	\$98.70
