

Part No.

DCAP-500PSIG-FL

Ralston DCAP Pressure Test Pump with FieldLab

650 psi pneumatic hand pump, 500 psi gauge (0.25% full scale), 3ft hose, process conn.

DCAP-500PSIG-FL

Included Items

- DCAP Hand Pump - DCAP Pneumatic Hand Pump (DCAP)
- Hose - Quick-test 6900 psi hose, S.S. hose ends, 3 ft (92 cm) long (QSQS-HOS-3ft)
- 1/4" Male Process Connection - 1/4" male NPT x male Quick-test, no check-valve, S.S. (QTHA-2MS0)
- 500 psi FieldLab Pressure Calibrator, female Quick-test connection - Pressure FieldLab, 500 psi / 35 bar / 3.5 MPa, Female Quick-test bottom connection (FLP1-GN-QF)

Specs/Attributes

Media Compatibility	Air, Inert Gas, Natural Gas, Petroleum Based Oil, Water
Process Connection	
Fine Adjustment Resolution	.001
Materials	Anodized Aluminum, Stainless Steel
Max Pressure	650 PSI
Max Temperature	130 °F
Min Temperature	0 °F
Pressure Media	Air
Seal Materials	Buna-N, Delrin, Teflon
Hose 1	
Pressure Reference	

Reference Connection
